Dear Mr. Scigowski:

Thank you for your recent sponsorship proposal regarding Philip Morris involvement with the 1996 racing season which you presented for our consideration.

As you might expect, we have a very active promotional program that fits precise criteria developed to achieve our marketing goals. We have reviewed your proposal carefully and have determined that it does not fit into our promotional plans for our company at this time.

Thank you for your interest in Philip Morris and we wish you every success with the 1996 racing season.
